

God's Madmen Back Cover

Book Two in the Eye of the Morning Series

By: Ben Tousey

Life comes with a quandary. It always ends, and it ends badly. And while you may live only a few years, you'll be dead for millennia, and being dead isn't everything it's cracked up to be. Life is an ironic bitch and Death has no sense of humor.

If Jeff thought that life was complicated, his death is downright problematic. Ogre has discovered Jeff is journeying to the door, carrying his victims with him. so now he is out for revenge. He has found a way into Jeff's own mind and he's determined to use that ingress to destroy everyone close to him while at the same time forcing Jeff stand by helplessly and watch.

There's only one way Jeff can save himself and those he loves. He must make the most treacherous journey he's ever had to make. He's got to find his own soul and convince it to return to him.

Being a vampire isn't as romantic as it looks in the movies. Now that Jeff is dead, he has to figure out how to survive... Who knew that death was so much work? Dracula made this look so easy.
