

# Letter from Habitat for Humanity

---

Dear Mr. Ben Tousey,

Good Morning!

I am writing to thank you for your participation our annual Trademark Breakfast benefiting Cowlitz County Habitat for Humanity. We had many of our supporters in attendance make comments on how much they enjoyed your speech. You really helped to make our event a memorable one, and we cannot express our gratitude enough for your generosity and help.

We would love to get your mailing address if you would not mind sending that to us. It was a pleasure to meet you and your mother, and we hope to someday meet again.

Thanks again!

Cindy
